

Bwana Asifiwe! (Praise the Lord! in the East Africa Swahili language)

October 3, 2018

Dear New Covenant Family, Friends and Supporters,

November 2-16, 2018 will be the dates for my sixth mission trip to the continent of Africa. I will be traveling with Dr. Kenneth Sullivan, Sr. and Pastor Kenneth Sullivan, Jr. on this trip to Kenya. A friend of Pastor Sullivan will also join us.

As you may know, Bishop Daniel Muiruri and his wife Jane visited the USA for three weeks as guests of Dr. Sullivan and New Direction Church. Bishop Daniel ministered at New Covenant on September 9th. There is a report on his visit at my blog, www.BryanHudson.com

For this mission, we will minister at a regional pastor/minister's conference and travel to Turkana County in north Kenya to minister in churches and crusades. Dr. Sullivan will dedicate a new building being completed by Bishop Muiruri with Dr. Sullivan's support.

It is all about empowering believers in Christ, leading souls to Christ, and making a positive impact in the great nation of Kenya!

I have also reached out to the Global Field Evangelism Orphanage and they are pleased to welcome us for a visit while in Kenya. I look forward to seeing our sponsored young lady, Benedine, and the other children living at the orphanage.

New Direction Church has been most gracious to pay for my airfare! I will need to raise support for lodging, expenses related to meals, offerings I would like to give, an international data/phone plan through AT&T, and needed immunizations. Depending on the support received, I would also like to donate \$1,000 towards the completion and equipping of the new facility for Living Faith Outreach Center in Eldoret, Kenya. This will be my longest mission at two weeks, so total expenses will be greater than before.
