

IMPACT Training

Institute for Ministerial Pastoral And Congregational Training

“Equipping for Ministry Excellence, Empowering for Victorious Living”

Essentials for Excellence in Expository Preaching

About the Seminar

The seminar is to equip preachers with an understanding and essential tools to enhance their skill level and empower them to prepare and present biblical, relevant, and effective messages with confidence.

- Explore the philosophical and theological foundations for preaching
- Understand what Expository Preaching is and is not, and its benefits
- Learn basic principles of biblical interpretation (hermeneutics) in relation to the process of developing biblical sermons (homiletics)
- Learn a 3-phase process and steps for moving from text to sermon

Testimonial

"I never learned how to figure out how to prepare a sermon until now. This course taught me how to look at a passage of Scripture or even just one verse and come up with an outline."
